

YOUR INFRASTRUCTURE OUR FOCUS

At Onnec, we are your trusted partner for IT infrastructure, bringing your vision to life with expert installation and tailored support services.

WHO WE ARE?

Onnec is a leading partner for IT Infrastructure design, installation and operational support services. Creating strong connections is the foundation of everything we do, and for over 30 years we have been delivering world-class IT infrastructure solutions for some of the world's most recognised organisations.

From supply and installation, to ongoing maintenance and managed services, our team of experts are readily available to support the full lifecycle of your infrastructure, delivered safely, on time and to the highest standards. Backed by leading vendor partnerships and combining local support with global expertise, we ensure your business is set up for success—now and for whatever comes next.

WHY CHOOSE US?

- **Trusted at the top**
Our high quality of work has been rewarded with the trust of numerous blue chip companies in more than 40 countries.
- **Committed to Health & Safety**
Driven by our 'Safety First' philosophy, safety stands as our paramount priority in every aspect of our operations.
- **Partnered with world leading manufacturers**
Strong partnerships are key to us giving the solutions you need. That's why we work with all major providers of network and infrastructure technology.
- **A global partner at a local scale**
Our expertise and global partnerships mean we can be a single point of contact for the life cycle of your entire project.

OUR SERVICES

Structured Cabling

The backbone of your infrastructure, built to the highest standard. Our expert team installs structured cabling that ensures certainty in every connected space.

Data Centre Solutions

End-to-end lifecycle support, from cabling installation and rack & stack to smart hands and ongoing maintenance.

Network Solutions

Securely connect people, spaces and devices with our end-to-end services, from wireless surveys and health checks to design, deployment and ongoing support.

Support Services

From on-site maintenance to urgent fixes, we keep your network performing at its best with global support for growth, reliability and performance.

Connectivity starts with strong foundations. Reach out to our team today to learn more about Onnec's IT & network infrastructure expertise.
